The Annual Percentage Yields (APY) shown are offered on accounts accepted by the Bank and effective for the dates shown above, unless otherwise noted. Interest Rates are subject to change without notice. Interest Rates are not guaranteed until CD is opened.

Interest Rate vs. APY: The APY (Annual Percentage Yield) is a percentage rate that reflects the total amount of interest paid on the account, based on the interest rate and the frequency of compounding for a 365-day period. If you receive a periodic statement, that statement will include the APY earned on your account for the period covered by the statement.

All rates and deposit accounts are designated for Arizona residents only.

Additional fees may apply. A complete Fee Schedule will be provided at account opening.
